Mon, 21 May 2018 00:02:00 GMT - A fix-up (or fixup) is a novel created from several short fiction stories that may or may not have been initially related or previously published. The stories may be edited for consistency, and sometimes new connecting material, such as a frame story or other interstitial narration, is written for the new work. The term was coined by the science fiction writer A. E. van Vogt, who published ...
